Subject: Annual Parish Meeting

Dear Pete,

Greetings in Christ in this Epiphany Season. Thanksgiving is in order from the trustees of the Empathy Surplus Project Foundation and its 1st Empathy Surplus Congress, of which I am a member, to all the members of Christ Episcopal Church, of which I am a member. Grace to you and peace in our Lord Jesus Christ.

We are especially grateful for the parish financial sponsorship of the Human Rights Pocketbook Venture, which started in Advent of 2019 with a pledge of \$50/mo for three years and ending the last Sunday of Ordinary Time in Pentecost 2022. That support provides an ad found on page 80 in the pocketbook, which can be found in this pdf link - <https://bit.ly/3hrpESP>.

As you know, Empathy Surplus is a 501(c)3 collective thought leadership training organization. We fulfill our thought leadership training mission through weekly communities of practice called Empathy Surplus Congresses. The Human Rights Pocketbook Venture allows members of our congresses to partner with ethical businesses, civil society organizations like Christ Church, and effective government task forces to provide human rights education to our youth. You can find a description of our seven active ventures, of which Christ Church is one, at this link - <https://bit.ly/ActVent>.

We are also grateful for your help in purchasing and distributing 25 pocketbooks to your stakeholders every other month. We want to bring to your attention a partnership opportunity for your members with the **Dayton Climate Survival Human Rights Pocketbook Venture**. Details can be found at <https://bit.ly/DCSVhrp>. This could be a venture in which Christ Church members could participate as well as a means of distribution for your pocketbooks in the Dayton area.

Best wishes in mutual ministry to respect, protect, and promote human rights.

Caring citizens are the solution,

The Rev. Charles Watts
Christ Church member
Founder/CEO, Empathy Surplus Project Foundation
Director, Human Rights Pocketbook Venture, 1st Empathy Surplus Congress
