**FAITH • FILLED  
GENEROSITY**

As we look to the year to come, we are more committed than ever to the ministry and love we share with our community and our neighbors. Our ministry is funded through the gifts of its

members — your generous offerings given in grace and love. This year we are asking for every member to take part in our stewardship campaign by making a pledge.

*Pledge cards were mailed out on October 13, if you did not receive one and would like one mailed to you, please contact the Parish Administrator at [christdaytonjoyce@gmail.com](mailto:christdaytonjoyce@gmail.com)*

We invite you and your household to pray and learn, taking these weeks to consider how your generous response to God's call has been shaped by this community and the friends who gather with you.

### **A CITYHEART MOMENT – Helping our Neighbors Apply for CARES Act Funds During COVID-19 Pandemic!**

The most successful impact story we have recently experienced is to assist our clientele in making application to the local Community Action Agency for CARES Act funds. Our Program Services Assistant, Anthony, was involved in assisting three neighbors to apply. These three neighbors all had the same landlord. They were all delinquent in their rent for 2-3 months due to loss of employment from the pandemic. They were challenged by the online application process. Anthony helped to submit the three applications. When the clients were contacted by representatives from the CAP program, they were told that their landlord would need to submit paperwork, with social security number and w-9 form. They reported back to CityHeart that their out-of-state landlord was refusing to comply with the request. They were distraught on how to proceed. We agreed to advocate on their behalf with the landlord, because apparently, she didn't want to give out her personal information and most likely didn't trust her tenants. After two or three phone conversations between CityHeart and the landlord, we convinced her that this was a legitimate program, the funding was being provided by the CARES Act, and that the money would come directly to her, not her tenants. In order to process the applications, she must comply and provide her social security number, her tax ID number for the IRS, so that the Community Action Agency could distribute the money for the rent owed by her tenants. In the end, we secured the housing for all three of these clients, and their landlord received a few thousand dollars in rent payment. Finally, after she understood how much the program would benefit both her and her tenants, this landlord began referring her other tenants to apply directly for the CARES funds or to call CityHeart if they needed help. Often it just takes the right approach and the proper language to bring clarity to a situation. This is a perfect example of how CityHeart can advocate in this type of situation to help our neighbors and give them hope. We continue to assist financially

with utilities and will leverage the government funds for rent until they are depleted. The current deadline is December 31 for applications, so please pray with us that more funding is approved soon to aid these families in crisis.

## A Note from the Treasurer

The church bookkeeping office continues to accept donations by US Mail. Alternatively, parishioners can make secure online donations to Christ Church via credit card at the Diocese of Southern Ohio website <http://diosohio.org/> Go to the website, click on Online Giving, fill out the online form (be sure to select Christ Church Dayton in the "I am making a gift to" box), click submit and follow the steps to complete the secure credit card transaction. A receipt will be emailed to you. Easy!
